## PROFILE

As a proactive third-year B.E. student at SIST Chennai, I'm passionate about technology and its practical applications. Proficient in web development and project management, with internships at HCL and ongoing involvement in college events. Active member of IEEE, organizing events like the Silicon Symposium. Currently interning at Oasis Infobyte, specializing in web design and development projects. Dedicated to pushing boundaries and making a meaningful impact in both academic and professional spheres.

## PROJECTS AND INTERNSHIPS

- Project-based internship at HCL
- Task Manager Web Application
- Volunteered: UTM(Universiti Tecknologi Malaysia) Exchange Program
- Web Design and Development Internship - Oasis Infobyte
